FOREST

SUMMARY *OF* THE GAME

STEP 1

Refresh the children's memory with body parts and descriptive words, see examples below, Feel free to add words.

01

STEP 2

Position the students at one end of the playground and one student in the middle of the playground. The objective is for the children to run from one side of the playground to the other without getting caught by the student in the middle

02

STEP 3

All the children at the end of the playground choose an animal. The child in the center must shout our questions such as "if you have fur run" etc,

03

STEP 4

If a player gets caught, they stands where they were caught and becomes a "tree on fire." They can then try to catch other players as they run across the field, turning them into trees on fire. When only one person is left standing, that person gets to start in the middle for the next round.
